Frequently Asked Questions

Do I need Council Approval?

Development Applicants – separate approval to remove a tree may not be necessary – contact our Customer Service Centre to clarify before completing this form.

You **do NOT** need Council approval to remove or prune a tree if the tree is:

- No higher than 3m and has a girth of no more than 300mm at a height of 1m above the ground.
- In Council's opinion, is dying or dead or has become dangerous.
- A species declared to be a noxious weed under the Noxious Weeds Act 1993 or fruit plants identified in Schedule 1 to the Plant Diseases Act 1924.
- A species exempted from Council's Development Control Plan 2011.

Otherwise – YES – you do need approval!

Where do I send my application and payment?

You can pay in person at Council's Customer Service Centre – 2 Bryant Street, Rockdale or you can post your application and a cheque or money order to Rockdale City Council, PO Box 21, ROCKDALE NSW 2216.

Do I have the right to appeal against a decision made by the Tree Management Officer?

If you are not satisfied with the decision of the Tree Management Officer, you may request that Council's Manager of Operations review this decision. If you are still not satisfied you can request that your application be put to a Council meeting for determination.

You may also elect at any time to have the matter heard before the Land and Environment Court if you are dissatisfied with the way Council has dealt with your application.

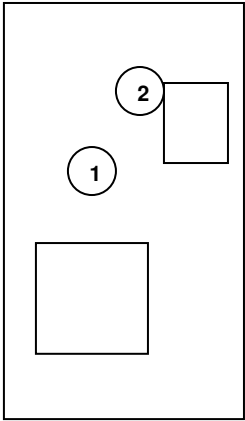

What are my options if I want to prune a tree on my neighbour's property?

You may lodge an application with Council for inspection of a neighbour's tree however any approval for work considered appropriate will be sent to the trees' owner(s).

It is not the role of Council to intervene in neighbourhood disputes regarding trees. Conflicts may be resolved through the Community Justice Centre or, once all other attempts to resolve the matter have been exhausted, an application may be lodged with the Land & Environment Court for resolution under the Trees (Disputes between Neighbour's) Act 2006.

Diagram of Property and Tree Locations

Please draw a plan of the property showing the position of all trees involved and outlines of nearby buildings.
Please number trees as per the numbers under the "Details of Tree/s" section on the front of this form.
