

Renovators Get Head Start

Home renovators now have a new reason to cheer; Council has just introduced Minor Development Advice Meetings (MDAM) for people considering doing building work to their dwelling such as the construction of a new single dwelling, home renovations, or pool installations.

The meetings, which are free, are designed to give potential home renovators and single dwelling builders a detailed understanding of the necessary requirements prior to carrying out building works in Rockdale City. The one-on-one meetings take half an hour and are held on the first Wednesday of the month. The meetings will be held with a Council Planning Officer.

These meetings will provide an opportunity to:

- ▶ Discuss your proposal with a planning staff member;
- ▶ Find out what type of approvals may be required;
- ▶ Find out what information will be necessary to submit to Council (eg plans and reports); and
- ▶ Discuss what planning controls may apply.

Bookings are essential. To schedule a meeting contact Council's Development Advisory Service on 9562 1666 or email rcc@rockdale.nsw.gov.au or visit the website at rccweb.rockdale.nsw.gov.au/EPlanning
